

Glebe Chapel policy document

GDPR (General Data Protection Regulation) privacy notice

Glebe Chapel holds 3 types of personal data relating to those who are involved in chapel business or attend chapel organised activities (details of the activities are given in appendix 1). The following personal data is held:

- Names (and if needed) contact details (inc emergency contact details if appropriate);
- Information about medical needs and/ or special needs and disability relating to children and vulnerable adults;
- Personal information that relates to employment for Glebe Chapel employees/ volunteers (such as bank details and employment records and checks (as appropriate)).

In addition, contact details ('phone and email) are kept for representatives of the organisations that hire or lease chapel-owned facilities.

The purpose of requesting and/or keeping personal data; the period of time for which the data is retained; the method in which it is stored and the method by which it is disposed of are all reviewed annually.

Any personal data held by the chapel will be used internally for the purpose for which it was collected and will not be shared with, or transferred to, a third party. Accordingly, personal data will be guarded appropriately and shared only with permission.

The table in Appendix 1 details how personal data is held, used and managed.

CCTV is used at the community centre to monitor activity outside the building. This data is securely stored in electronic format for 8 days after the event after which it is overwritten. The recording equipment is securely stored. Notices regarding the presence of the cameras, their use of recorded data and who to contact in the event of a related enquiry are posted appropriately. The Glebe Chapel Community Centre CCTV Use Policy details how such data is, and is not, used.

Glebe Chapel is registered as an information controller with the Information Commissioner's Office (ICO). Registration reference: A1087056.

This policy will be reviewed annually.
